

AMBULETTE

AMBULETTE

The Braun Commercial Ambulette is the ideal transportation option for non-emergency medical providers. Versatility, safety and convenience are all combined in one affordable package - just what you've come to expect from the leader of the mobility market.

With a wide variety of floor plans and flexible seating options, we'll be able to customize your vehicle to meet your specific needs, all with one of the quickest turnaround times in the industry! Whether you're looking for folding passenger seats or bench seats, a rear-entry or side-entry lift, standard or extended length, we have what you need.

The Ambulette is also equipped with added safety features like anti-skid, one-piece flooring and exterior running boards to make sure your passengers have the safest, most comfortable ride possible. A new, low-profile sport top gives the vehicle a sleek look to blend with mainstream traffic too. Combined, these improvements make the Ambulette the perfect solution for your facility's transportation needs!
