Serving Northern California

Our Mission

Our Mission at Nor-Cal Mobility, Inc. is to provide you with *convenient* and *cost effective* "on-site" wheelchair lift service, maintenance and repairs while:

Saving You Time

We help you keep your vans on the road during business hours and out of the shop. We go to your vehicle parking sites and perform maintenance and repairs while your fleet vehicles are inactive. This is usually after 5 p.m. and on weekends.

Saving You Money

After 12 months of being on our preventive maintenance program, you should experience a significant cost savings in the repairs of your wheelchair lifts.

Helping to Ensure Your Customer's Satisfaction

Ensure that your drivers get to each pickup on time by performing routine maintenance on your lifts. There is nothing worse than a dissatisfied customer, especially when it can be avoided.

Authorized Dealer :

Preventive Maintenance will significantly reduce downtime due to failure — increasing your bottom line.

Will significantly help extend the life expectancy of your equipment.

Will help reduce driver fatigue while reducing injuries and expensive insurance claims.

Will provide you with a professional maintenance record that can assist you in lawsuits and insurance rates.

Will keep equipment looking and operating more professionally, helping with customer satisfaction and loyalty.

Call today and one of our friendly customer service representatives will help customize a preventive maintenance program for your company
